

## **TALENT TECHNOLOGY RANKS 17<sup>TH</sup> IN PROFIT 100 – CANADA'S FASTEST GROWING COMPANIES**

*TALENT TECHNOLOGY CORPORATION IS THE FASTEST GROWING CANADIAN SOFTWARE COMPANY*

**Vancouver BC – June 02, 2008** – Talent Technology Corporation, an award-winning provider of recruitment technology, today announces that it has been selected by Profit Magazine as one of Canada's fastest growing organizations. Measured against a running five year revenue growth, Talent Technology ranks #17 overall on the recently published list, using results reported for the period 2002-2007.

Showcasing the best and brightest, the Profit 100 is the most authoritative ranking of Canada's fastest growing organizations. Now in its 20<sup>th</sup> year the Profit 100 celebrates organizational success stories from every sector of the economy.

"To be recognized for our revenue growth and overall success as a company is great honor," said Jade Bourelle, President and Co-Founder of Talent Technology Corporation. "We stay close to our customers to better understand their challenges, positioning us to provide industry thought leadership and innovation within the recruiting market place. And this year we are officially recognized for it with a growth of over 2,500%, ranking us at #17 overall and #1 if you count pure software companies. This ranking attests to our success in delivering products that make it faster and easier for recruiters and hiring managers to find and hire top talent."

"At TTC we believe there is much more that technology can do to augment the process of finding and acquiring talent," commented Robert Gordon, Chairman of Talent Technology Corporation. "It's what drives us every day to create and deliver the best possible applicant tracking systems, resume extraction and search software and other products that can help both recruiting firms and our corporate customers to drive recruiting success."

### **About Profit 100 Ranking**

The 20th annual Top 100 List — required explosive 5-year revenue growth of 627%. And the average PROFIT 100 Company grew its revenue by a sizzling 1,800%. Clearly, it takes something exceptional to rank among the entrepreneurial elite of the PROFIT 100.

The 20th-annual PROFIT 100 has the same twofold mandate as the ranking did at its inception: to celebrate entrepreneurship and to uncover the management practices of successful Canadian companies. The mix of engrossing stories on Canada's rising business stars and practical management advice from PROFIT 100 CEOs deserves the attention of all entrepreneurs with an interest in growing their business.
