

oilandgaspeople.com

A new recruitment solution for the Oil and Gas industry

Better for recruiters...

Better for candidates...

Better for Oil and Gas People

Oil and Gas People aims to fundamentally change the recruitment process by providing an accurate snap-shot of the current Oil and Gas workforce and its availability

Better for Recruiters

- Advertise positions and search for candidates for FREE
- CVs available FREE of charge, in a format ready to send to your clients
- Suitable and relevant candidates auto matched to your position.
- No more waiting for candidates to respond to job ads
- No more cold calling and sorting through out dated CV's
- Only ever pay when you match a candidate to a position
- Receive all candidate certification automatically
- Pay as you go matches or unlimited access options available
- Candidates receive feedback when positions are filled or removed from the site

Better for Candidates

- Create a FREE virtual CV and let recruiters find you
- Automatically have your profile matched to recruiters positions
- Receive emails and text alerts when matched to a position
- You confirm the match and decide whether to send CV or not
- Never miss out on a suitable position – the job finds you!
- Save all your employment documents and certificates to your profile
- You will always receive feedback on positions you have applied for
- You can link to your profile using it as a free online CV
- Your details are safe until you decide to send them – no more cold calls
- The site is attractive to recruiters – they pay nothing if no match is made, meaning they use our site again and again
